## ABOUT ME

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. As, a student who is currently studying for the degree in BSC.CSIT, I am very hardworking. I have a rudimentary knowledge of programming and web development. I am highly intrigued in learning more new stuffs in the sector of computer science. I also have a great communication skills and is good at working with others.
